Spencer, as a young divine, is truly making a mark in the great ministerial work. Having resided in this state for the past ten years, we feel almost, as it is our native home, but not so, the Blue Ridge Springs is our real native home in the state of Virginia where we secured our schooling and are paying taxes on property in that state. Not only these things induces us to be in such close touch with old Virginia, but it is our beloved parents who have been Virginians for many years and reside at Blue Ridge Springs.

Brooklys, Aug. 18, 1891. This letter is to certify that my husband had gone away and had been absent two years, I mourned for him night and day. I gave him up, as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well, and where he was; told me he would come home and when. Te my joy all of it came true. He is home now, came back like one from the dead. I also wish to say that this month I lost \$250. I ama poor woman and I was almost insane. I went to Dr. Shea and I was almost insane. I went to Dr. Shea and he told me I would find my money and to say intense joy I did find it as he told me. I thank God there is a man so gifted in our midst that can help people and tell them what to do.
